My dear beautiful, strong woman...

My name is Olivia Brandt, a mental health advocate and author of coloring books. I experience anxiety and panic attacks since I was just a little girl, and often felt overwhelmed and alone in my struggles.

But when I discovered coloring as a way to relax and manage my symptoms, everything changed. Coloring Books provided me with a sense of calm and control that I had never experienced before, and I quickly fell in love with the therapeutic benefits of this creative hobby.

Thank you for purchasing this book, I hope you'll enjoy it!

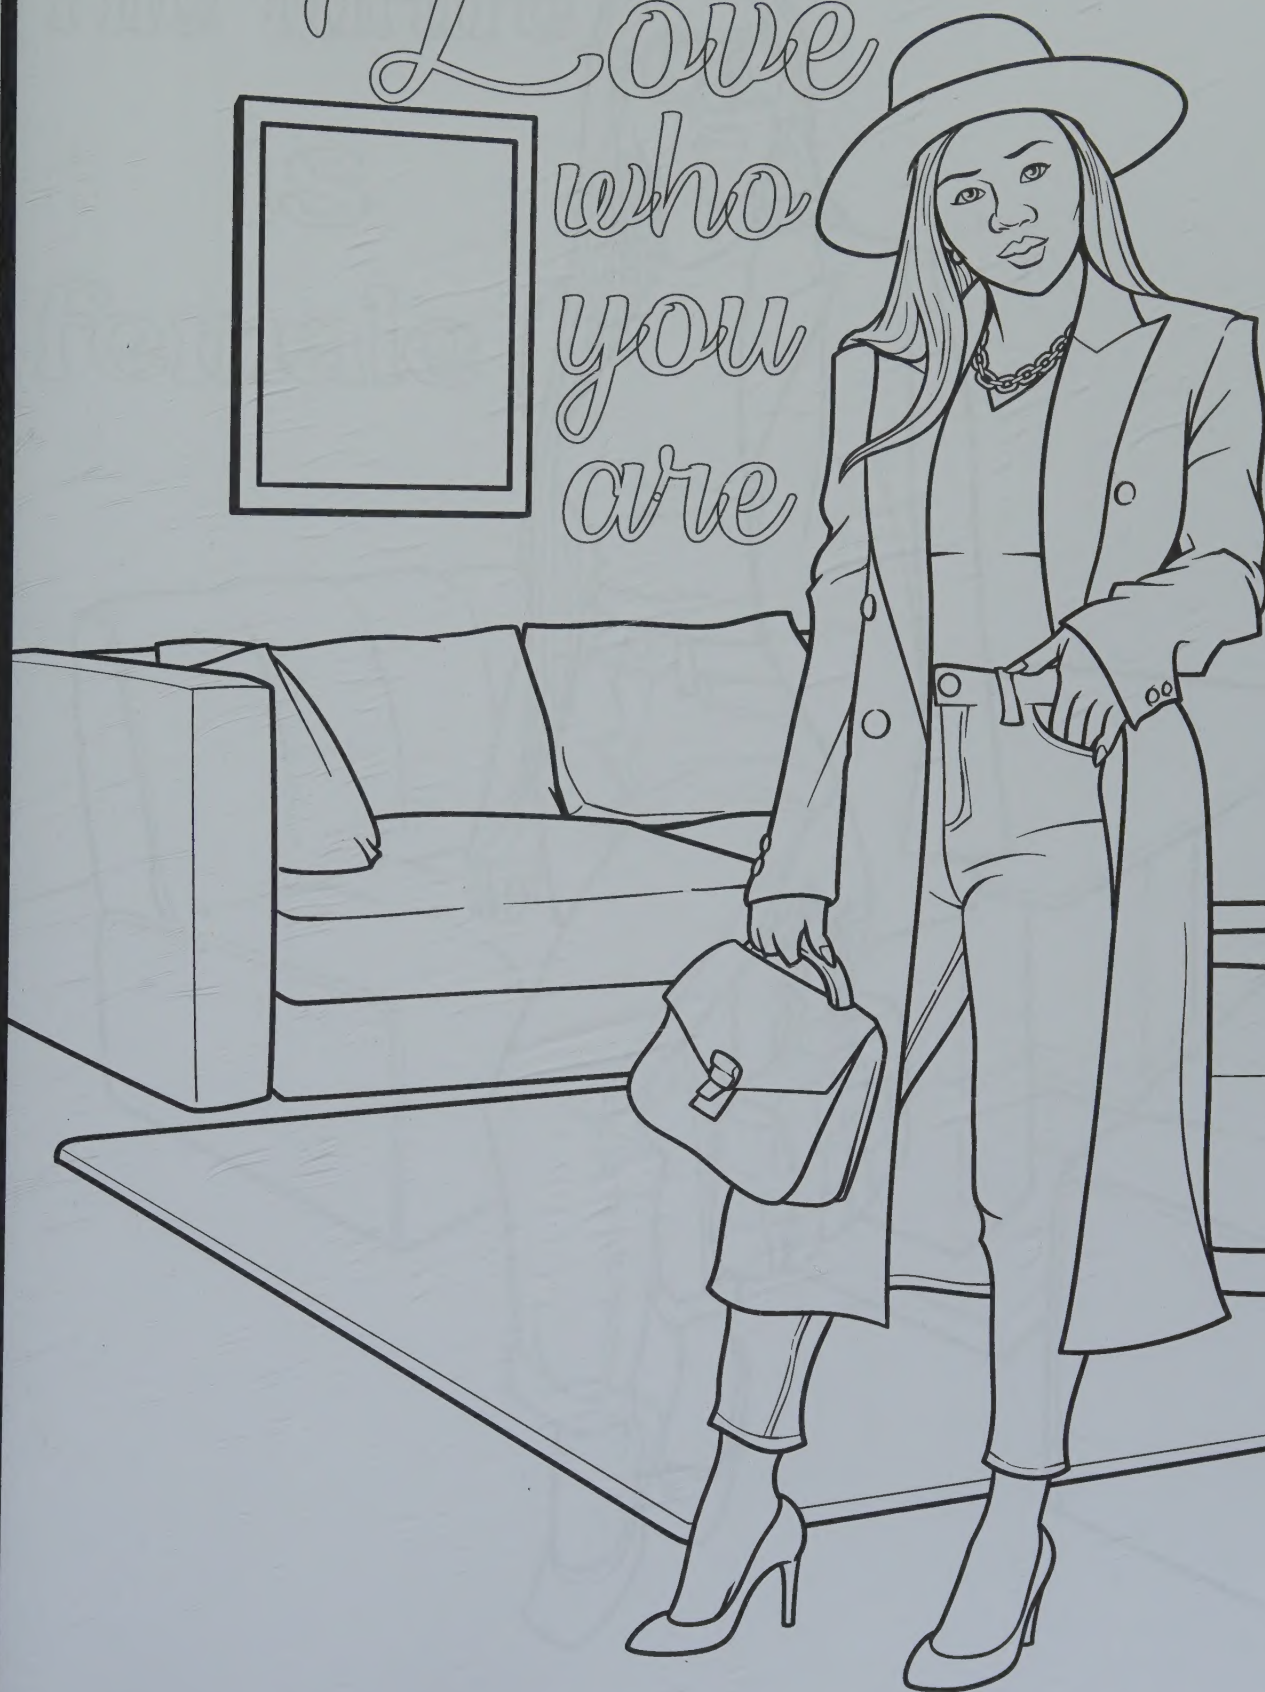

Stay well,
Olivia
